Recommended Citation
Roberts E. Deconstructing the pump: hemodynamics 101. Presented at Milwaukee Heart Failure Symposium, May 5, 2018, Milwaukee, WI.
Purpose
Heart failure is the progressive stage of most cardiac illness. Brains and the only cardiovascular disease rising in incidence, prevalence and mortality. The treatment for heart failure has changed dramatically and become more complex in the last 10 years. In this symposium, we will present up-to-date knowledge to help clinicians and allied health providers identify, evaluate and treat heart failure and related conditions.

Audience
This symposium will be of value to Cardiovascular Surgeons, Cardiologists, Internists, Internal Medicine, Hospital Medicine, Family Practice, mid-level providers, allied health professionals and subspecialty trainees. It will also be of interest to Internal Medicine, Hospital Medicine, Family Practice, mid-level providers, allied health professionals and subspecialty trainees. It will also be of interest to health professionals and subspecialty trainees.

Objectives
At the end of the course, participants should be better able to:
- Encourage application of primary and secondary preventive measures to reduce the incidence, prevalence and the economic burden of heart failure
- Know the most current evidence-based diagnostic & therapeutic strategies in heart failure & pulmonary hypertension
- Highlight innovation in the field of advanced heart failure
- Understand prognosis and outcomes of various treatment strategies employed in managing heart failure.

About Milwaukee
Milwaukee is the largest city in the state of Wisconsin. Well known for its brewing traditions, Milwaukee is experiencing its largest construction boom since the 1960s. Major new additions to the city in the past two decades include the Milwaukee Art Museum, the Milwaukee Repertory Theater. The Wisconsin Entertainment and Sports Center is scheduled to open in 2018. Most of these sights are within walking distance to the symposium.

Milwaukee is home to first-class entertainment and performing arts, unique museums, great restaurants and miles of lakefront, and that's just the beginning. Come and see for yourself!

Course Directors
Nasir Z. Sulemanjee, MD | Vinay Thohan, MD | Frank Downey, MD

Faculty

Tariq Bajwa, MD, FACC, FSCAI
- Associate Head, Cardiovascular Disease Section, Director, Cardiac Catheterization Laboratory, Director, International Fellowship Program.

Rosanna Champagne, ANP-BC, APN
- Nurse Practitioner, Aurora St. Luke's Medical Center, Aurora Health Care, Milwaukee, WI.

Omar Cheema MD, FACC
- Advanced Heart Failure and Transplant Cardiologist, Aurora St. Luke's Medical Center, Aurora Health Care, Milwaukee, WI.

John Croucht, MD
- Cardiothoracic Surgeon, Aurora Medical Group, Aurora St. Luke's Medical Center, Aurora Health Care, Milwaukee, WI.

Assad Ghaffar, MD
- Advanced Heart Failure & Transplant Cardiologist, Aurora St. Luke's Medical Center, Aurora Health Care, Milwaukee, WI.

T Edward Hastings, DO FACC
- Advanced Heart Failure and Transplant Cardiologist, Aurora St. Luke's Medical Center, Aurora Health Care, Milwaukee, WI.

Chad Heckers, RN, BSN
- Advanced Heart Failure Coordinator, Aurora St. Luke's Medical Center, Aurora Health Care, Milwaukee, WI.

Renuka Jain, MD
- Clinical Adjunct Assistant Professor of Medicine*, Cardiologist and Endocrinologist, Aurora St. Luke's Medical Center, Aurora Health Care, Milwaukee, WI.

Eric Roberts, MD
- Advanced Heart Failure & Transplant Cardiologist, Aurora St. Luke's Medical Center, Aurora Health Care, Milwaukee, WI.

Batul Vallika, MD
- Clinical Adjunct Professor*; Director, Center of Advanced Heart Failure Therapies, Aurora St. Luke's Medical Center, Aurora Health Care, Milwaukee, WI.

Nasir Sulemanjee, MD | Vinay Thohan, MD | Frank Downey, MD

Keynote Speaker Barry H. Greenberg, MD, FiFSA
- Director, Advanced Heart Failure Treatment Program Professor of Medicine UC San Diego Health

Registration
Online Course Registration
New Continuous Professional Development Learning Platform
The CPD Learning platform will allow you to take CME courses offered by Aurora and track your CME credits.
If this is your first time logging in, follow the steps below:
Open your web browser and go to https://cpd.aurora.org. This will take you to the CPD Learning Platform homepage.
– Aurora email login: If you have an Aurora email click Aurora Login on green banner on top right.
– If prompted enter your Aurora Health Care email and password.
If you have logged in before you may automatically be logged in upon clicking on Aurora Login.
– All other users: On green banner on top right, click Visitor Login and enter your username and password.

• “NOTE: For a new user, click on Create Account on the green banner on top right. Complete all required fields, and then click on Create New Account at the bottom of the page.
Your information will be stored and you will only have to access it if you change anything.
To find a course and register
– On the home page then click Courses across the top.
– You can filter or scroll through each course.
– Click on the course name to be directed to the course home page.
Follow the directions to register on the course home page.
For registration related questions, please contact Aurora’s Continuing Professional Development Office at cpddepartment@aurora.org or at (414) 230-5429.

Information about the course
Contact Laurel Lands at 414-239-7648 or email to Laurel.Lands@aurora.org with course related questions.

Refunds
Course fees include a $25 nonrefundable registration fee. Should you cancel up to 72 hours prior to the symposium, all but the $25 registration fee will be refunded. Refunds will not be given after that time.

Parking
Parking will be in the underground lot under the Intercontinental Hotel.
