Rosanne Champagne, ANP-BC, APNP – Nurse Practitioner, Aurora St. Luke's Medical Center, Aurora Health Care, Milwaukee, WI.

About Milwaukee
Milwaukee is the largest city in the state of Wisconsin. Well known for its brewing traditions, Milwaukee is experiencing its largest construction boom since the 1960s. Major new additions to the city in the past two decades include the Milwaukee Riverwalk, Wisconsin Center, Miller Park an expansion to the Milwaukee Art Museum, and the Milwaukee Repertory Theater. The Wisconsin Entertainment and Sports Center is scheduled to open in 2018. Most of these sights are within walking distance to the symposium.

Milwaukee is home to first-class entertainment and performing arts, unique museums, great restaurants and miles of lakefront, and that’s just the beginning. Come and see for yourself!

Purpose
Heart failure is the progressive stage of most cardiac illness. Thus, the only treatment for heart failure has changed dramatically and become more complex in the past 10 years. This symposium will present up-to-date knowledge to help clinicians and allied health professionals identify, evaluate and treat heart failure and related conditions.

Audience
This symposium will be of value to Cardiovascular Surgeons, Cardiologists, Internists, Internal Medicine, Hospital Medicine, Family Practice, mid-level providers, allied health professionals and subspecialty trainees. It will also be of interest to Internal Medicine, Hospital Medicine, Family Practice, mid-level providers, allied health professionals and subspecialty trainees. It will also be of interest to

Objectives
All the end of the symposium participants should be able to:
- Encourage application of primary and secondary preventive measures to reduce the incidence, prevalence and the economic burden of heart failure.
- Know the most current evidence-based diagnostic & therapeutic strategies in heart failure & pulmonary hypertension.
- Highlight innovation in the field of advanced heart failure.
- Understand prognosis and outcomes of various treatment strategies employed in managing heart failure.

This activity is sponsored by Aurora Health Care. The symposium is accredited by the Wisconsin Continuing Medical Education Board. Credit is available in Chicago, Milwaukee, Madison, and the surrounding counties. The symposium is also available via live webcast.

This activity is supported by Aurora Health Care.

May 5, 2018
Intercontinental Hotel Milwaukee Downtown

COURSE DIRECTORS:
Nasir Sulemanjee, MD | Vinay Thohan, MD | Frank Downey, MD

This activity is sponsored by Aurora Health Care.

Registration
Online Course Registration
New Continuous Professional Development Learning Platform
The CPD Learning platform will allow you to take CME courses offered by Aurora and track your CME credits.

If this is your first time logging in, follow the steps below:

Open your web browser and enter https://cpd.aurora.org. This will take you to the CPD Learning Platform homepage.

• Aurora email login: If you have an Aurora email click Aurora Login on green banner on top right.
• If prompted enter your Aurora HealthCare email and password. If you have logged in before you may automatically be logged in upon clicking on Aurora Login.

All other users: On green banner on top right, click Visitor Login and enter your username and password.

• NOTE: For a new user, click on Create Account on the green banner on top right. Complete all required fields, and then click on Create New Account at the bottom of the page.

Your information will be stored and you will only have to access if you have any changes.

To find a course and register
• On the home page then click Courses across the top.
• You can filter or scroll through each course.
• Click on the course name to be directed to the course home page.
• Follow the directions to register on the course home page.

For registration related questions, please contact Aurora’s Continuing Professional Development Office at cpdfdepartment@aurora.org or at (414) 219-5490.
