Objectives
All the aims of the course are to:
• Encourage application of primary and secondary preventive measures to reduce the incidence, prevalence and the economic burden of heart failure
• Know the most current evidence-based diagnostic & therapeutic strategies in treating heart failure & pulmonary hypertension
• Highlight innovation in the field of advanced heart failure
• Understand prognosis and outcomes of various treatment strategies employed in managing heart failure.

About Milwaukee
Milwaukee is the largest city in the state of Wisconsin. Well known for its brewing traditions, Milwaukee is experiencing its largest construction boom since the 1960s. Major new additions to the city in the past two decades include the Milwaukee Bucks arena, Milwaukee Art Museum, and the Milwaukee Repertory Theater. The Wisconsin Entertainment and Sports Center is scheduled to open in 2018. Most of these sights are within walking distance to the symposium.
