# TRIBAR 1969

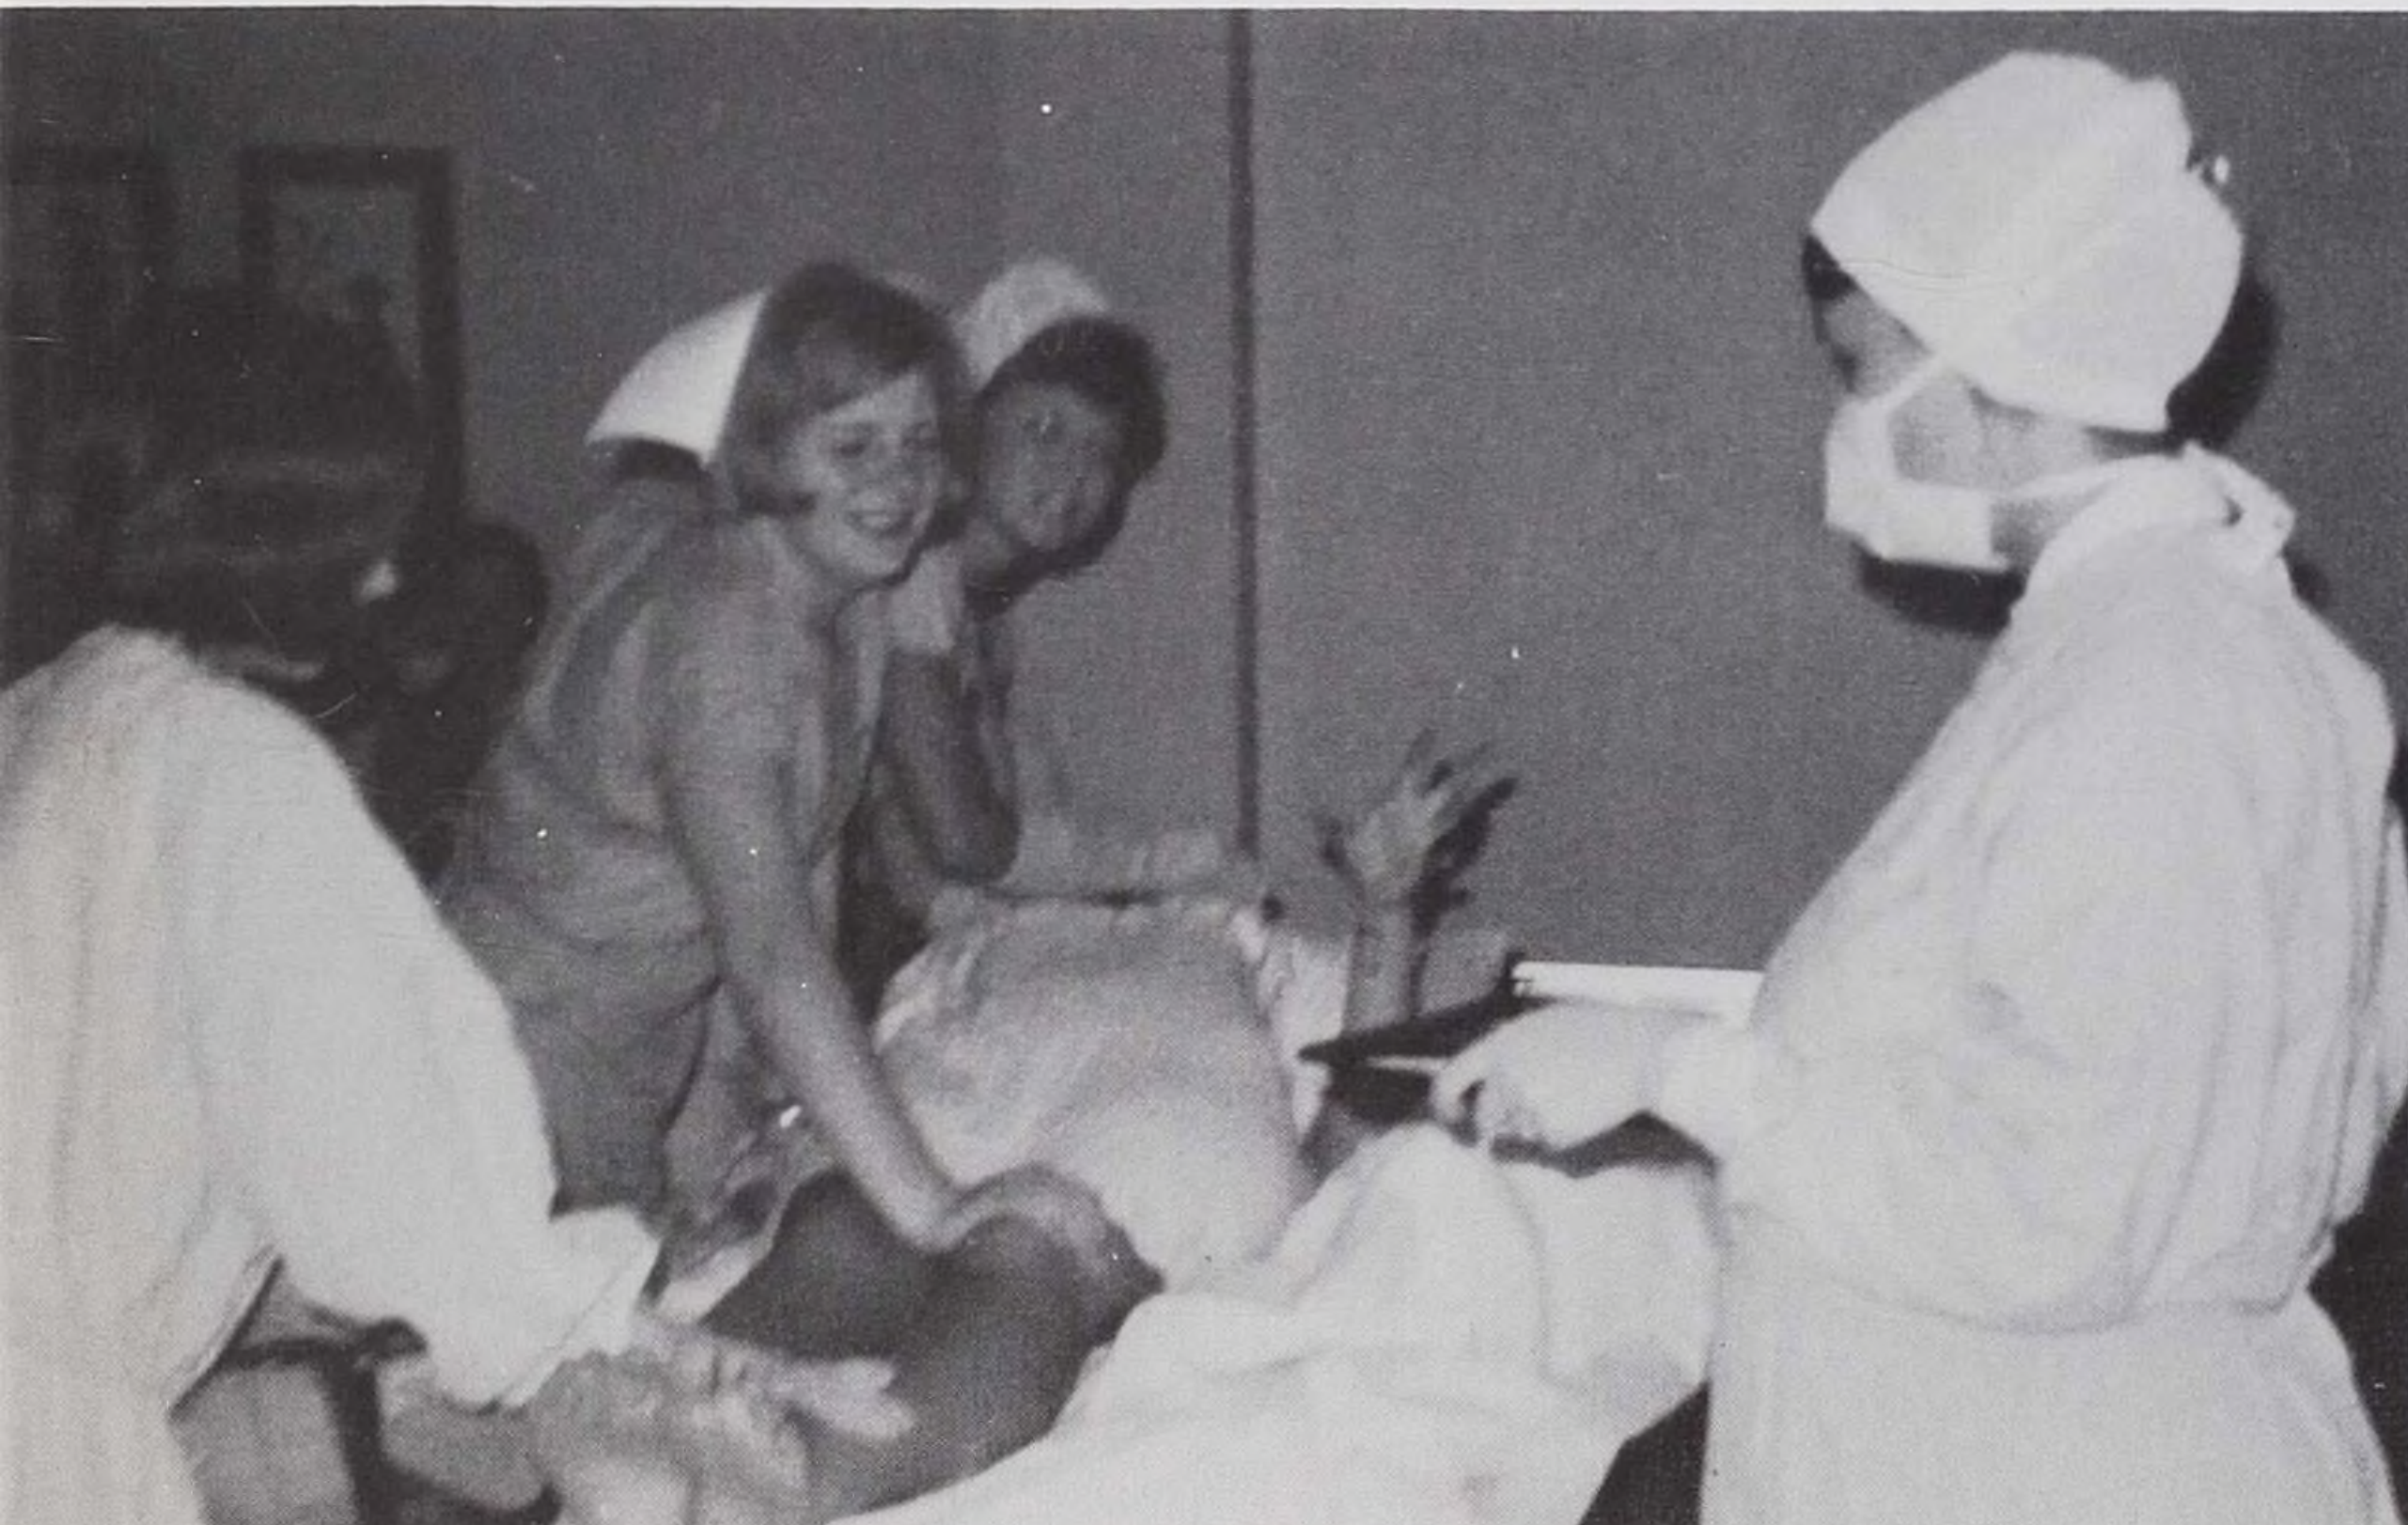

Blessed are they who  
have the gift of making  
friends, for it is one of  
God's best gifts. It  
involves many things,  
but above all, the power  
of going out of one's  
self, and appreciating  
whatever is noble and  
loving in another.

**Thomas Hughes**

Christmas is the shining  
festival of the unselfish.  
It is the homecoming of  
the spirit . . . the  
glorification of all that  
is good.

**Author Unknown**

Love comes quietly . . .  
but you know when it is there,  
because, suddenly . . .  
you are not alone any more . . .  
and there is no sadness  
inside you.

**Joan W. Anglund**

Christmas! Friend, 'tis  
Christmas! If there's no  
joyous way to give a  
festive package . . .  
give some love away!

**Christine Grant Curless**

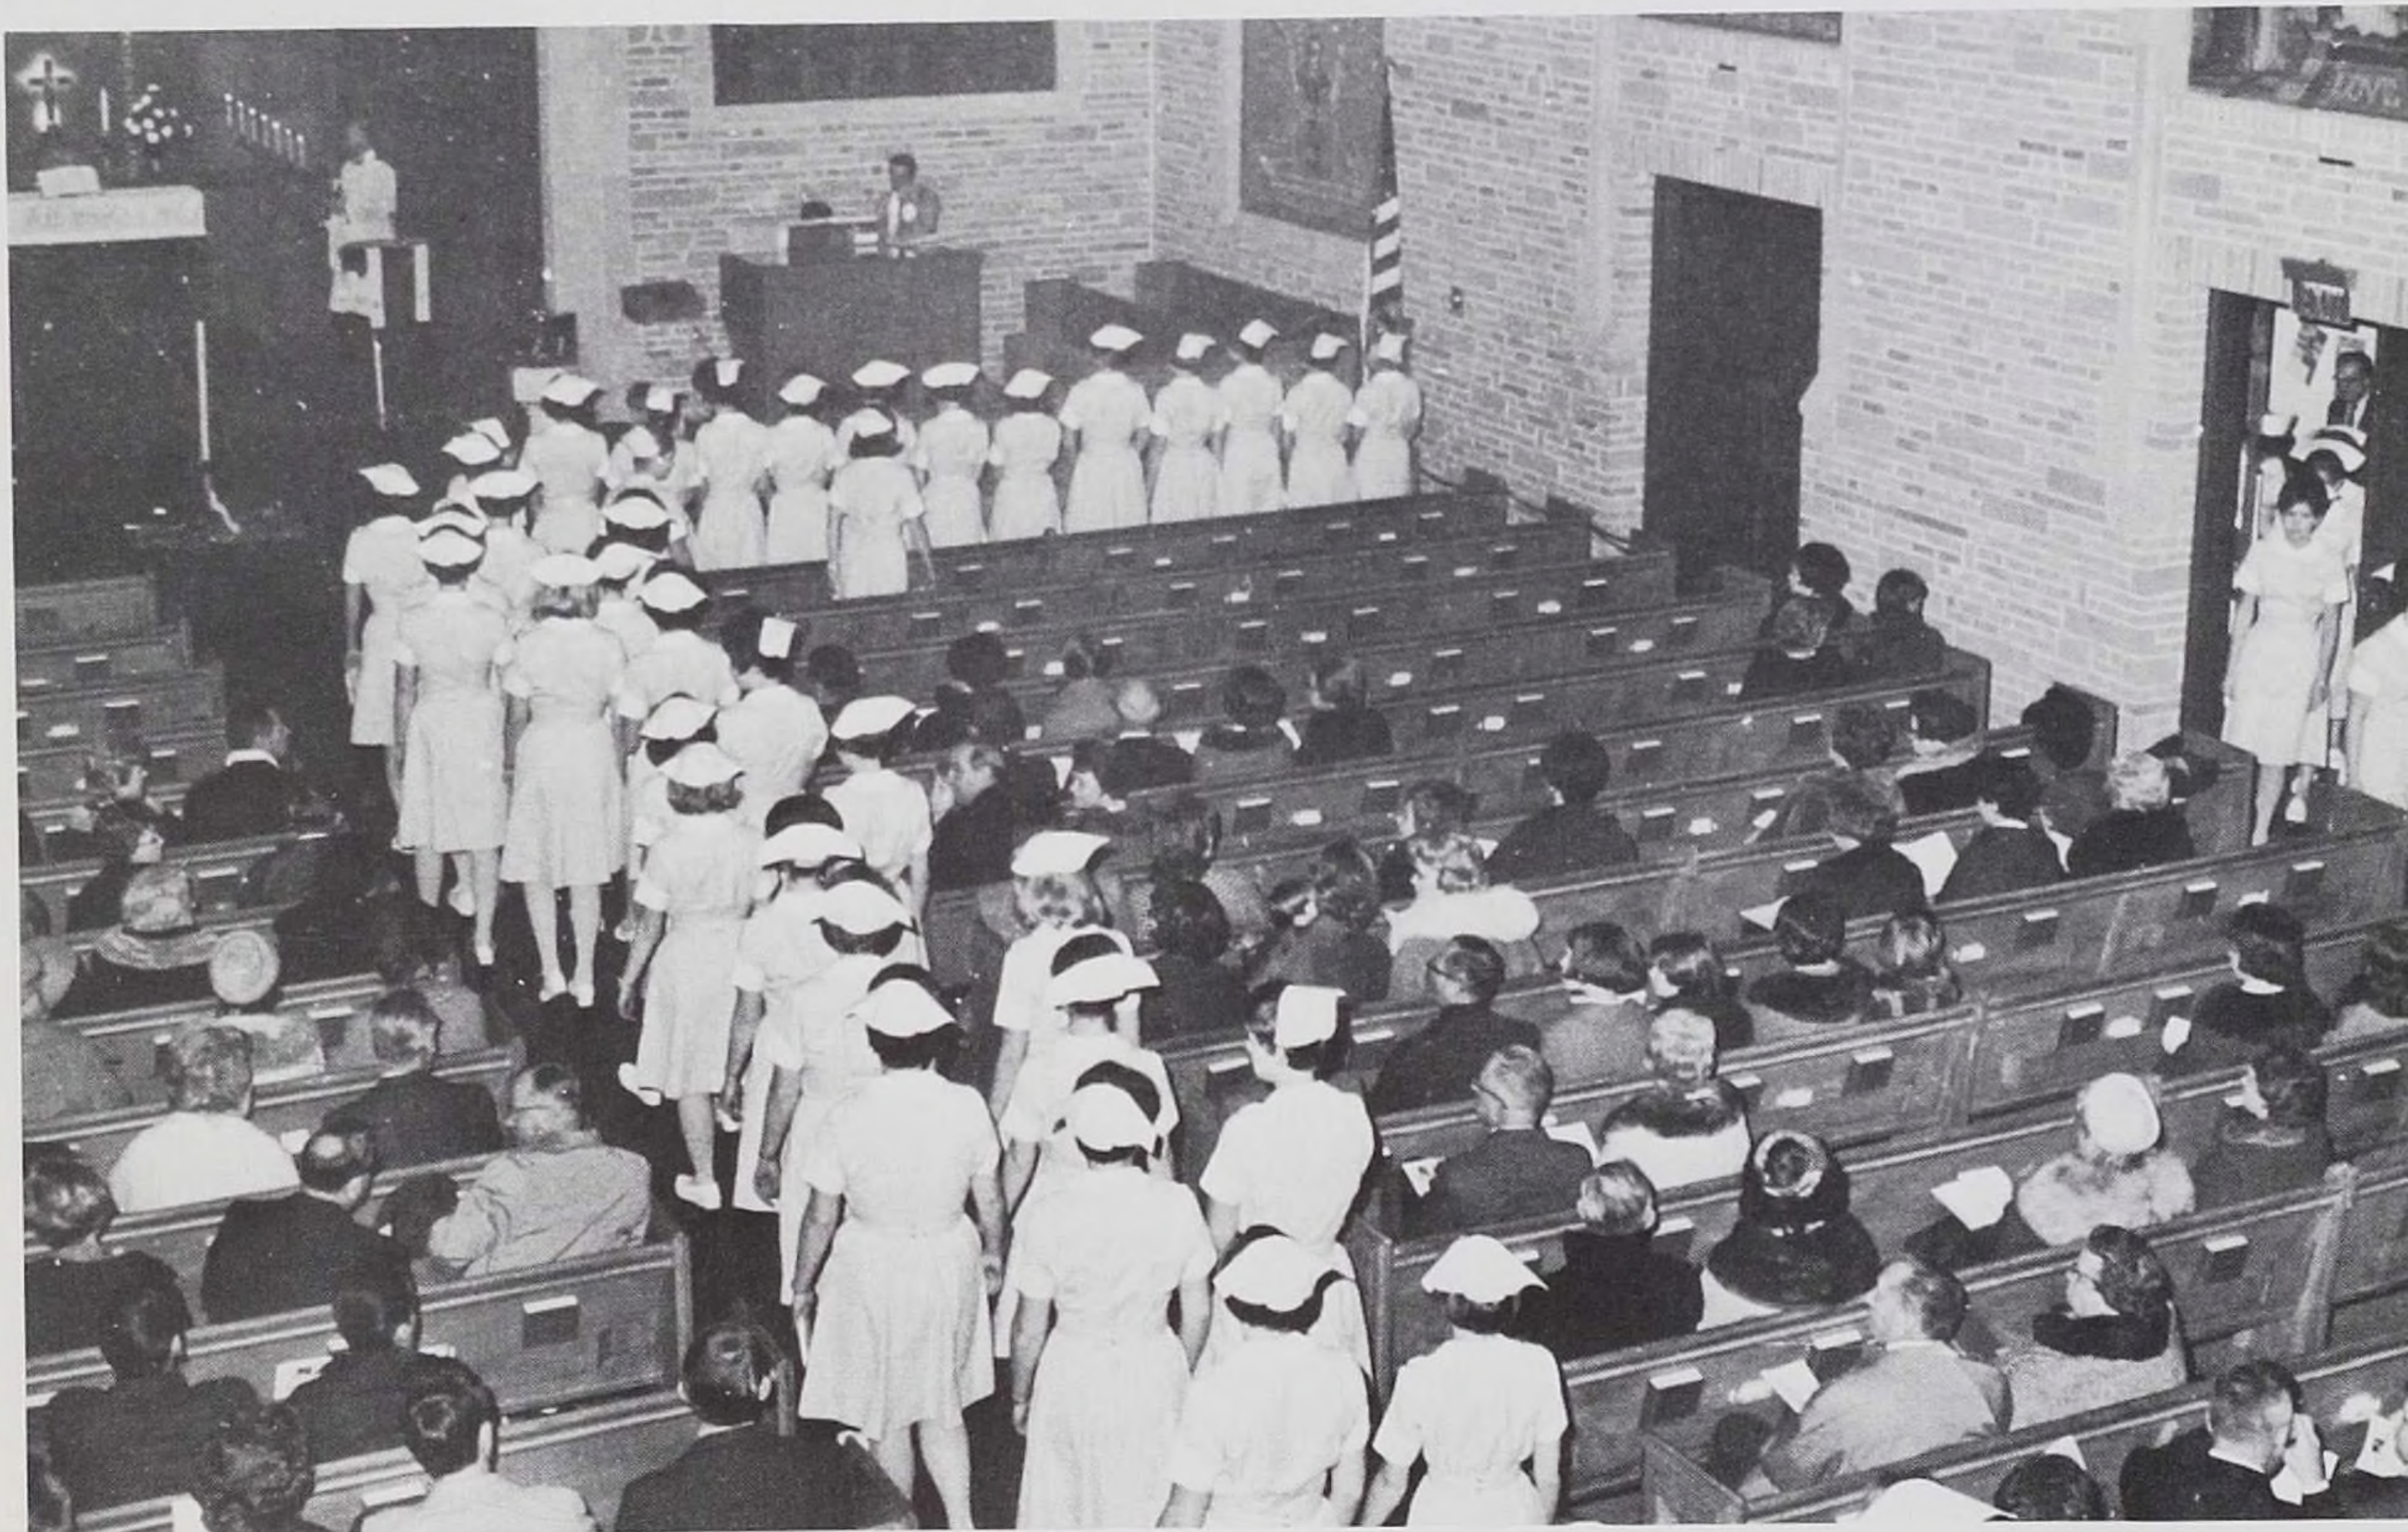

O Lord, my Lord, uplift mine  
 eyes to thee,  
 And show me how Thy love has  
 made me new,  
 O teach me how a Christian  
 ought to see  
 Thy love and mercy in all  
 that I do;  
 A Love divine gave of Himself  
 for me,  
 O Lord, I now give all myself  
 to Thee.

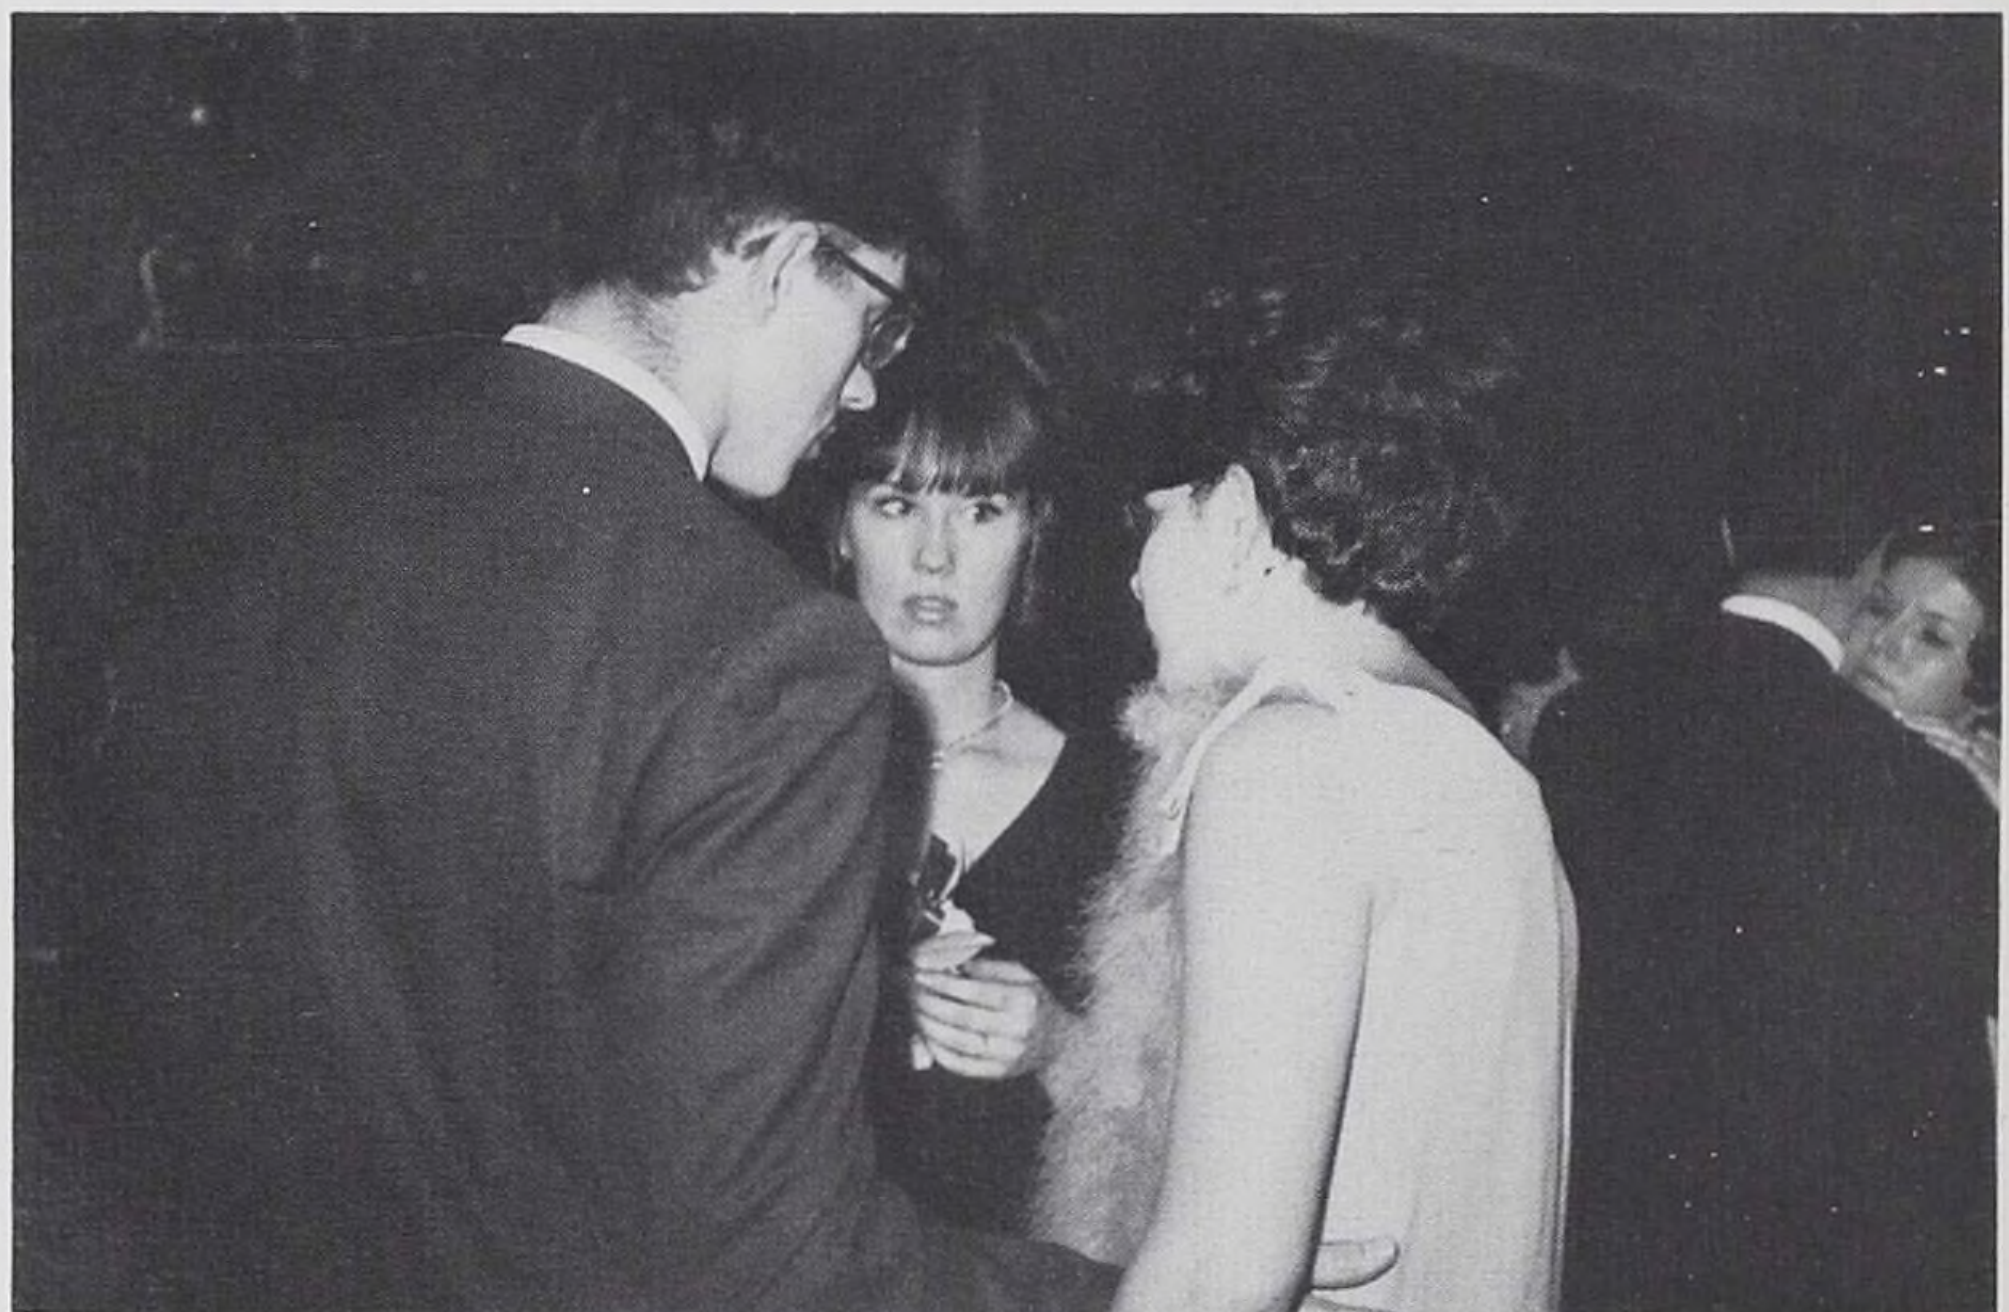

# DEDICATION

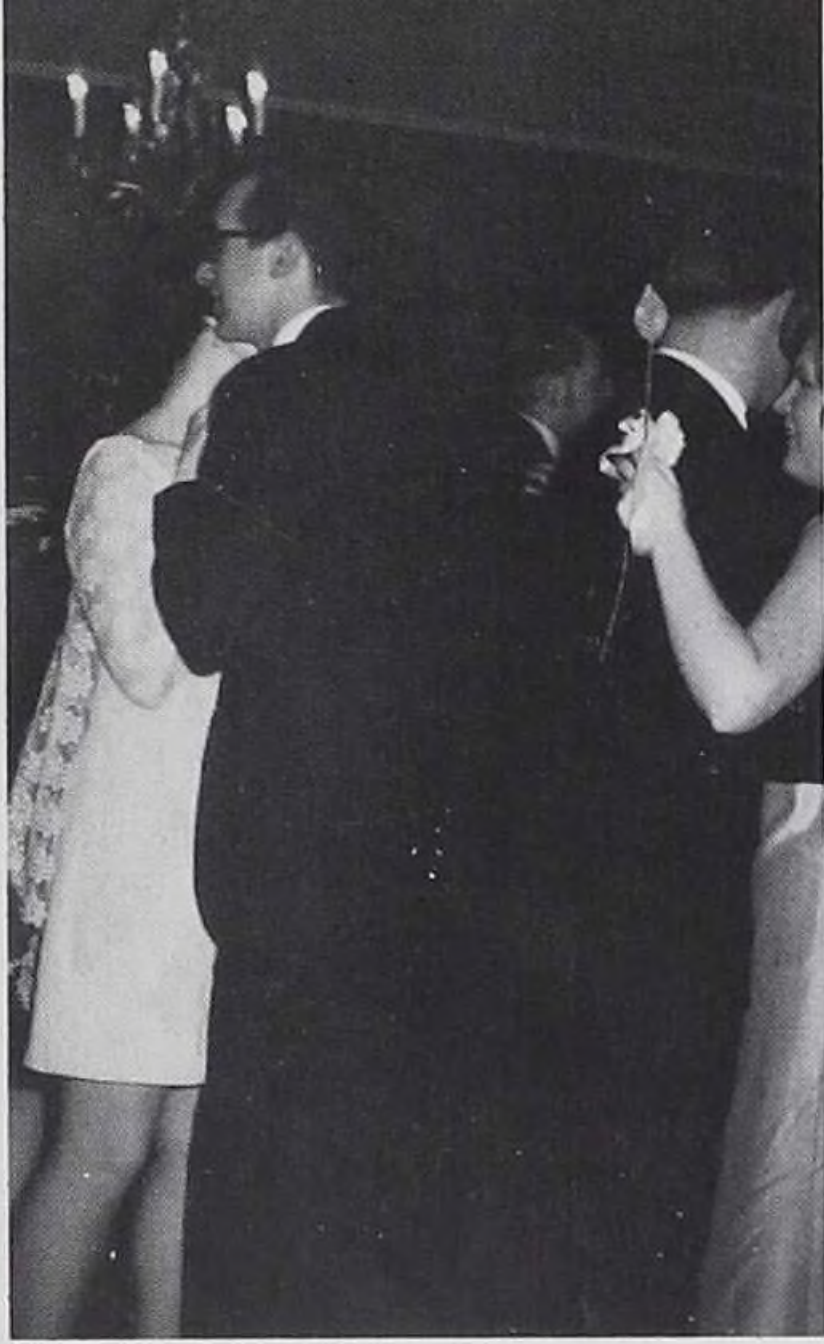

“sweet spring is your  
time is my time is our  
time for springtime is lovetime  
and viva sweet love.”  
e. e. cummings

# SWEETHEART BALL

# DEDICATION

What can we say to a group who have travelled to places like Madagascar, Cameroon, China, and India, dedicating themselves to teaching and healing by the will of God? To those who have given their lives in service to the poor, the homeless, and the ailing? To ones who have kept their faith strong and have professed it willing in a world of oh, so little faith? We want to say — Thank you.

It is with the greatest pleasure and admiration that we dedicate the Tri Bar 1969 to the Deaconesses of Lutheran General and Deaconess Hospitals. Bless you!

Love starts in little ways . . .  
 It may begin the day  
 we first share our

# LONG TERM NURSING

"To resist the frigidity of old age one must combine the body, the mind, and the heart. — And to keep these in parallel vigor one must exercise, study, and love." — Bonstettin

"He was in love with his work, and he felt the enthusiasm for it which nothing but the work we can do well inspires in us." — William Dean Howells

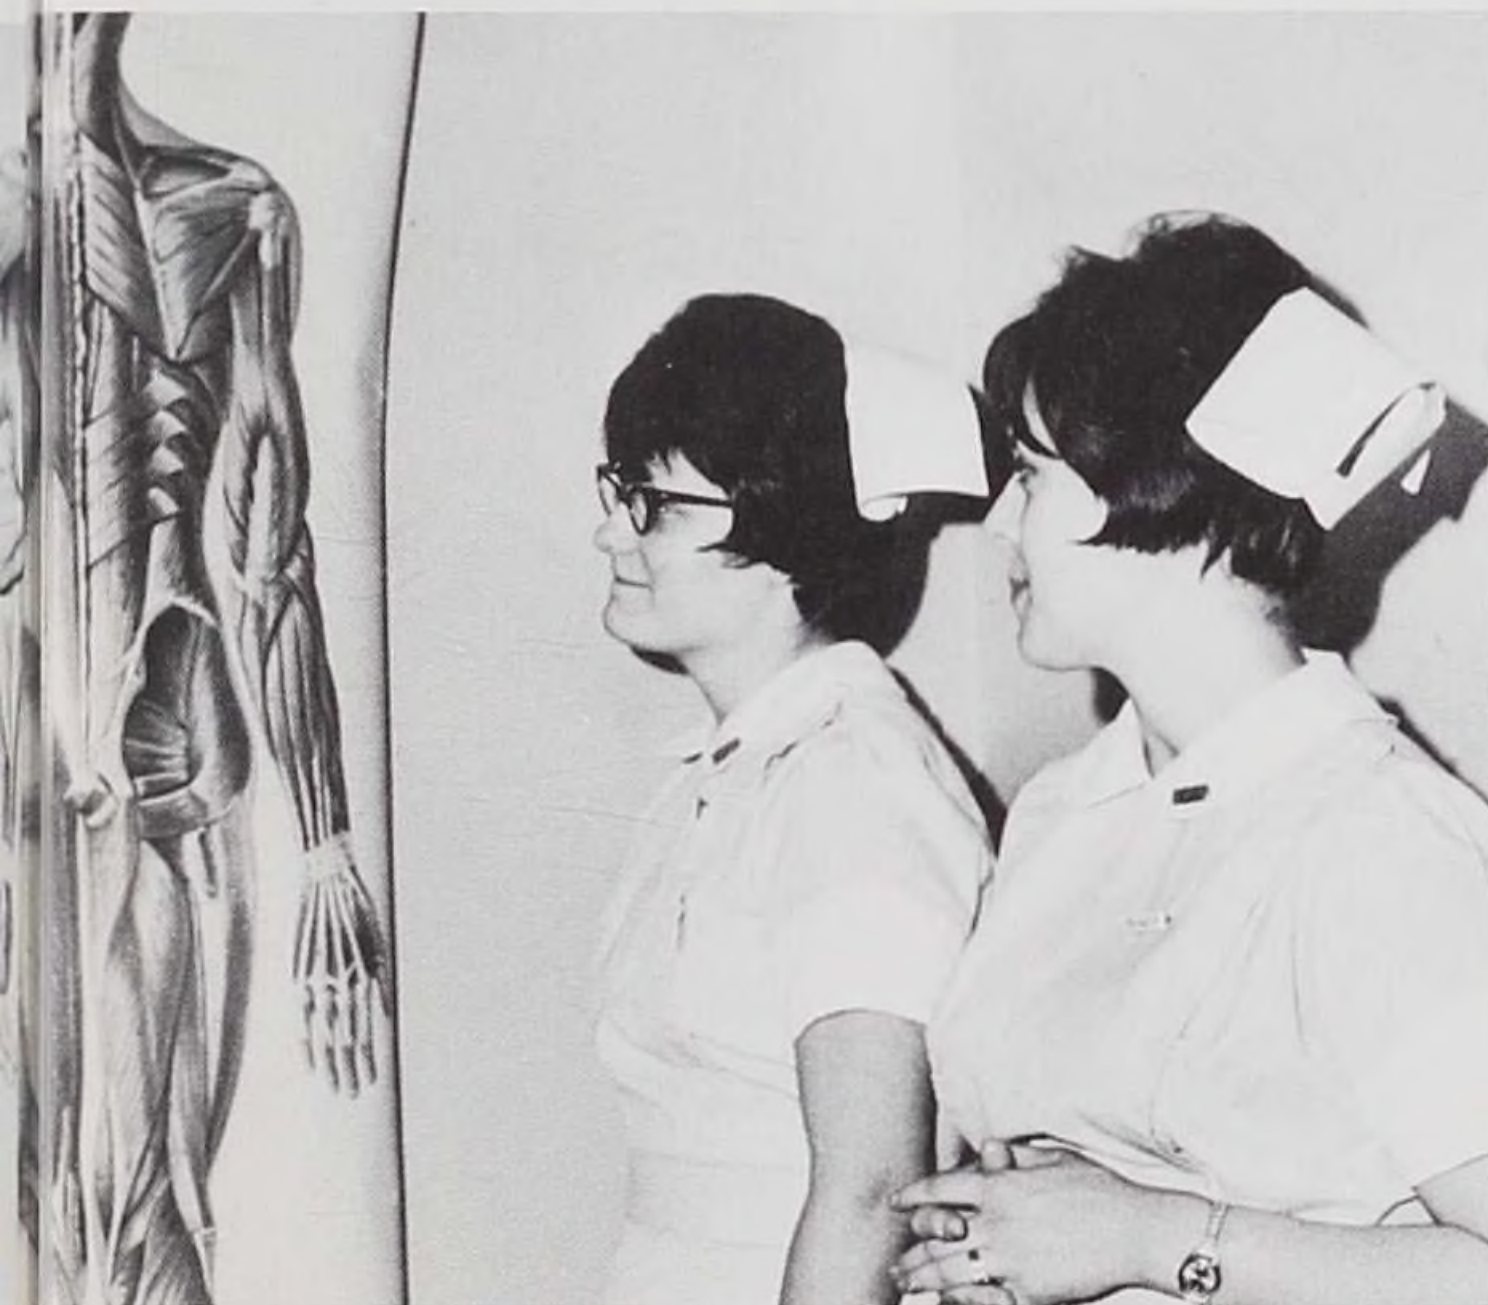

"Light is the task where many share the toil." — Homer

"There is a peculiar beauty about godly old age — the beauty of holiness. Husband and wife who have fought the world side by side who have made common stock of joy or sorrow, and become aged together, are not infrequently found curiously alike in personal appearance, in pitch and tone of voice, just as twin pebbles on the beach, exposed to the same tidal influences, are each other's alter ego." — Alexander Smith

"The sum of the whole is this: walk and be happy; walk and be healthy." — Dickens

“Two are better than one; because they have a good reward for their labor. For if they fall, the one will lift up his fellow; but woe to him that is alone when he falleth; for he hath not another to help him up. And if one prevail against him, two shall withstand him; and a threefold cord is not quickly broken.” **Old Testament.**

**PSYCH.**

# MATERNITY NURSING

“Of all the joys that brighten suffering earth,  
what joy is welcomed like a newborn child?”  
— Richter

“God could not be everywhere, and therefore he made mothers.” — Jewish saying.

“The smallest children are nearest to God, as the smallest planets are nearest the sun.”  
— Richter

“No joy in nature is so sublimely affecting as the joy of a mother at the good fortune of her child.” — Richter

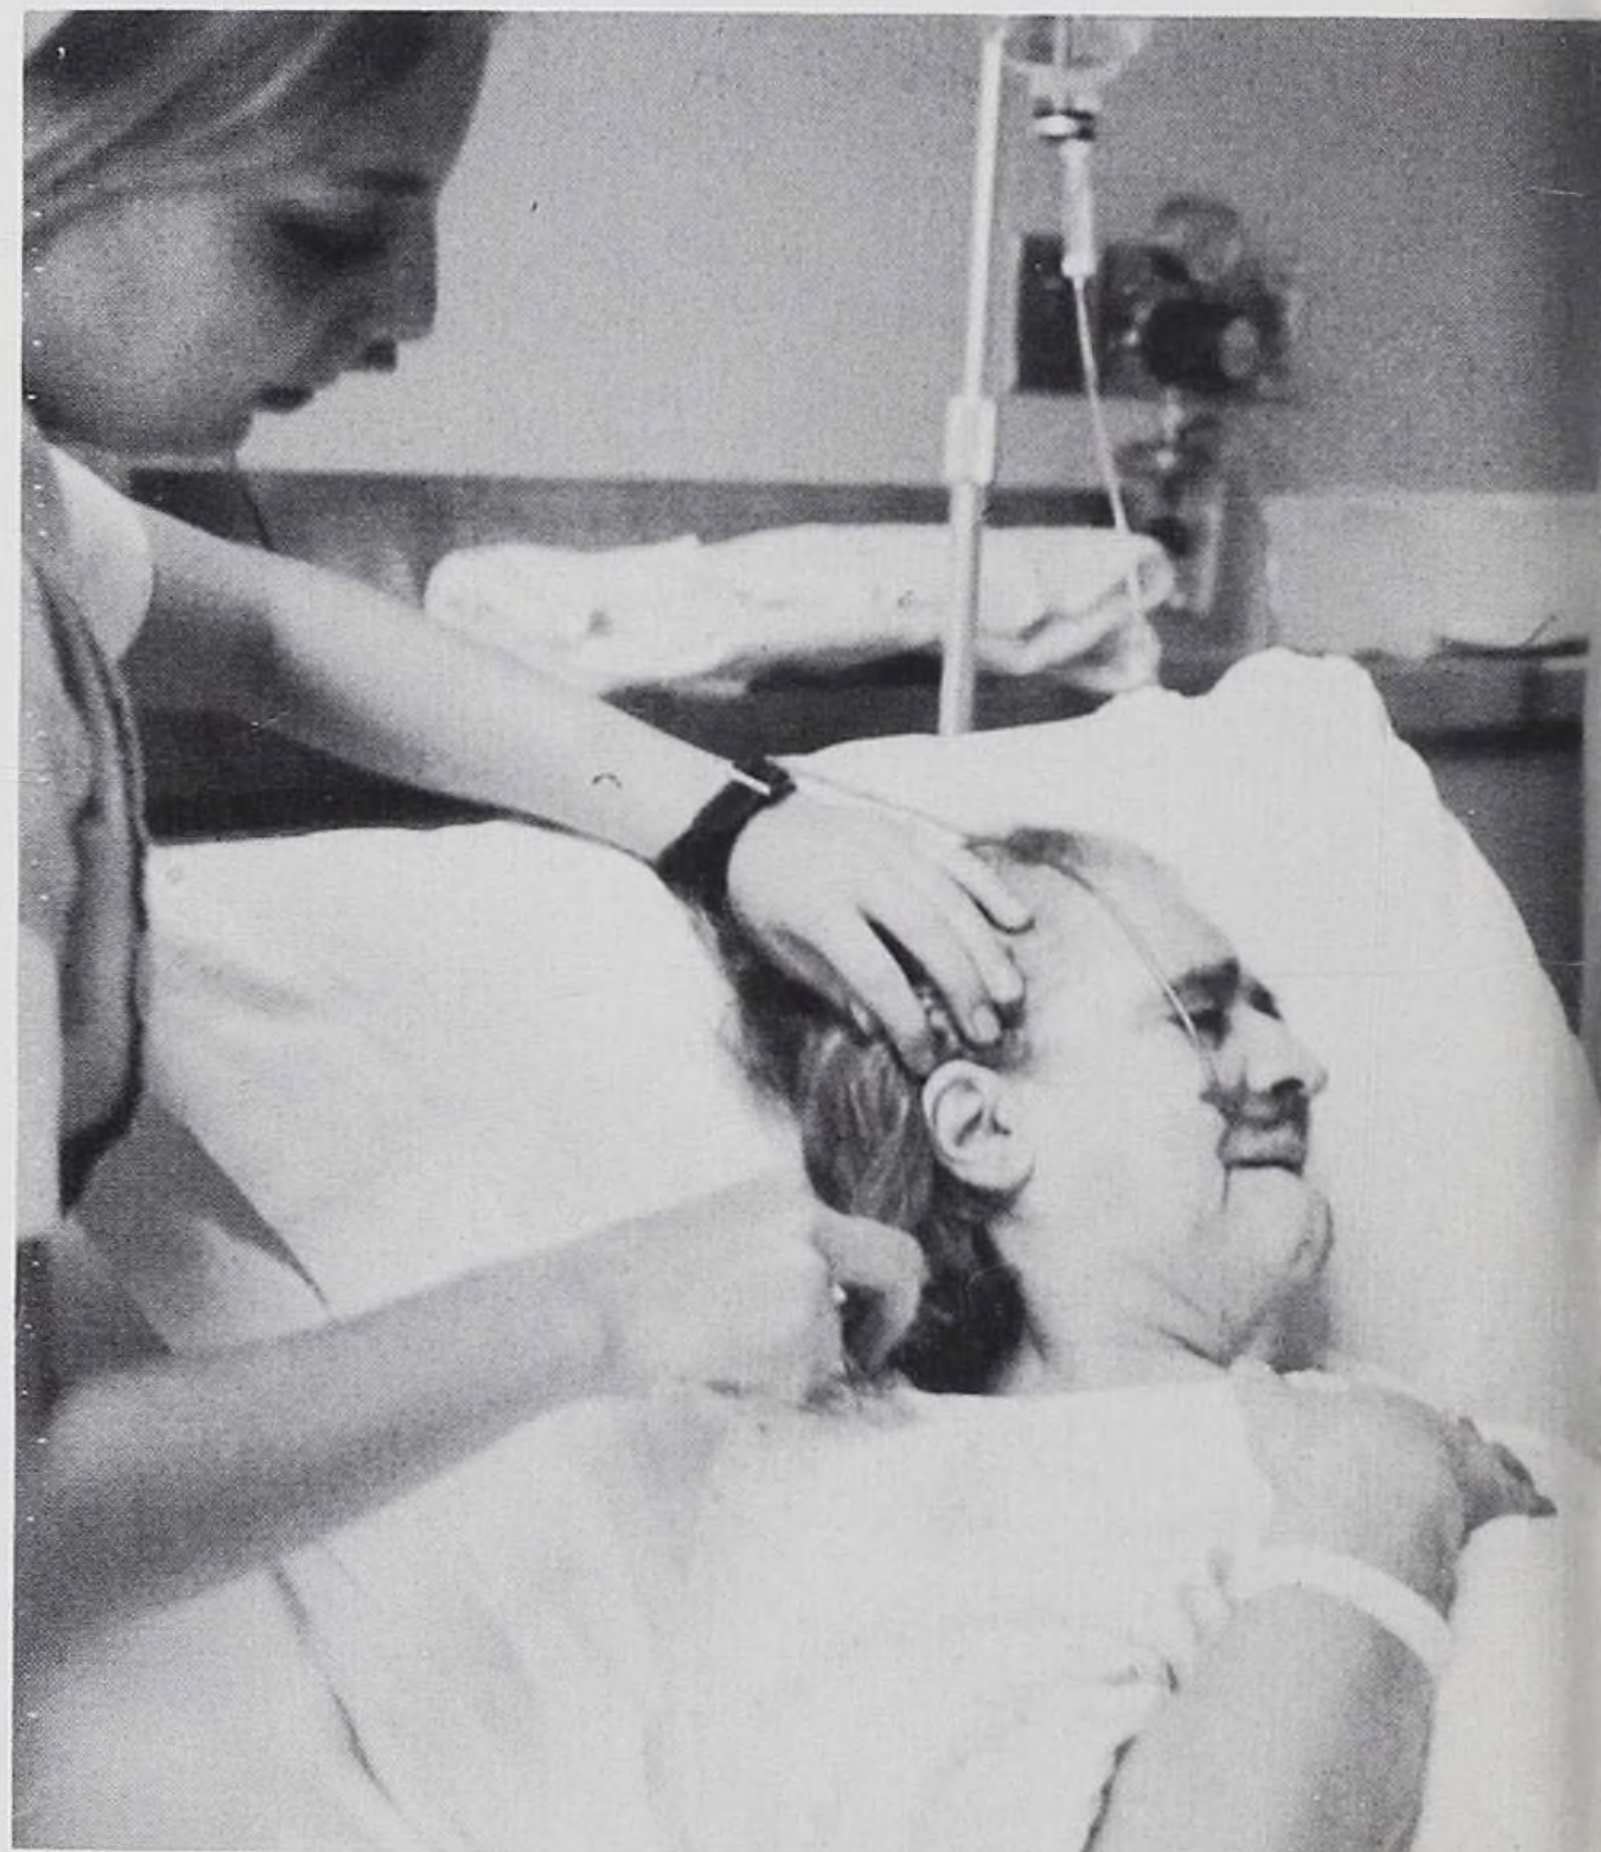

# I CCU U

Those who can not feel  
pain are not capable either,  
of feeling joy.

**Raden Adjeng Kartini**

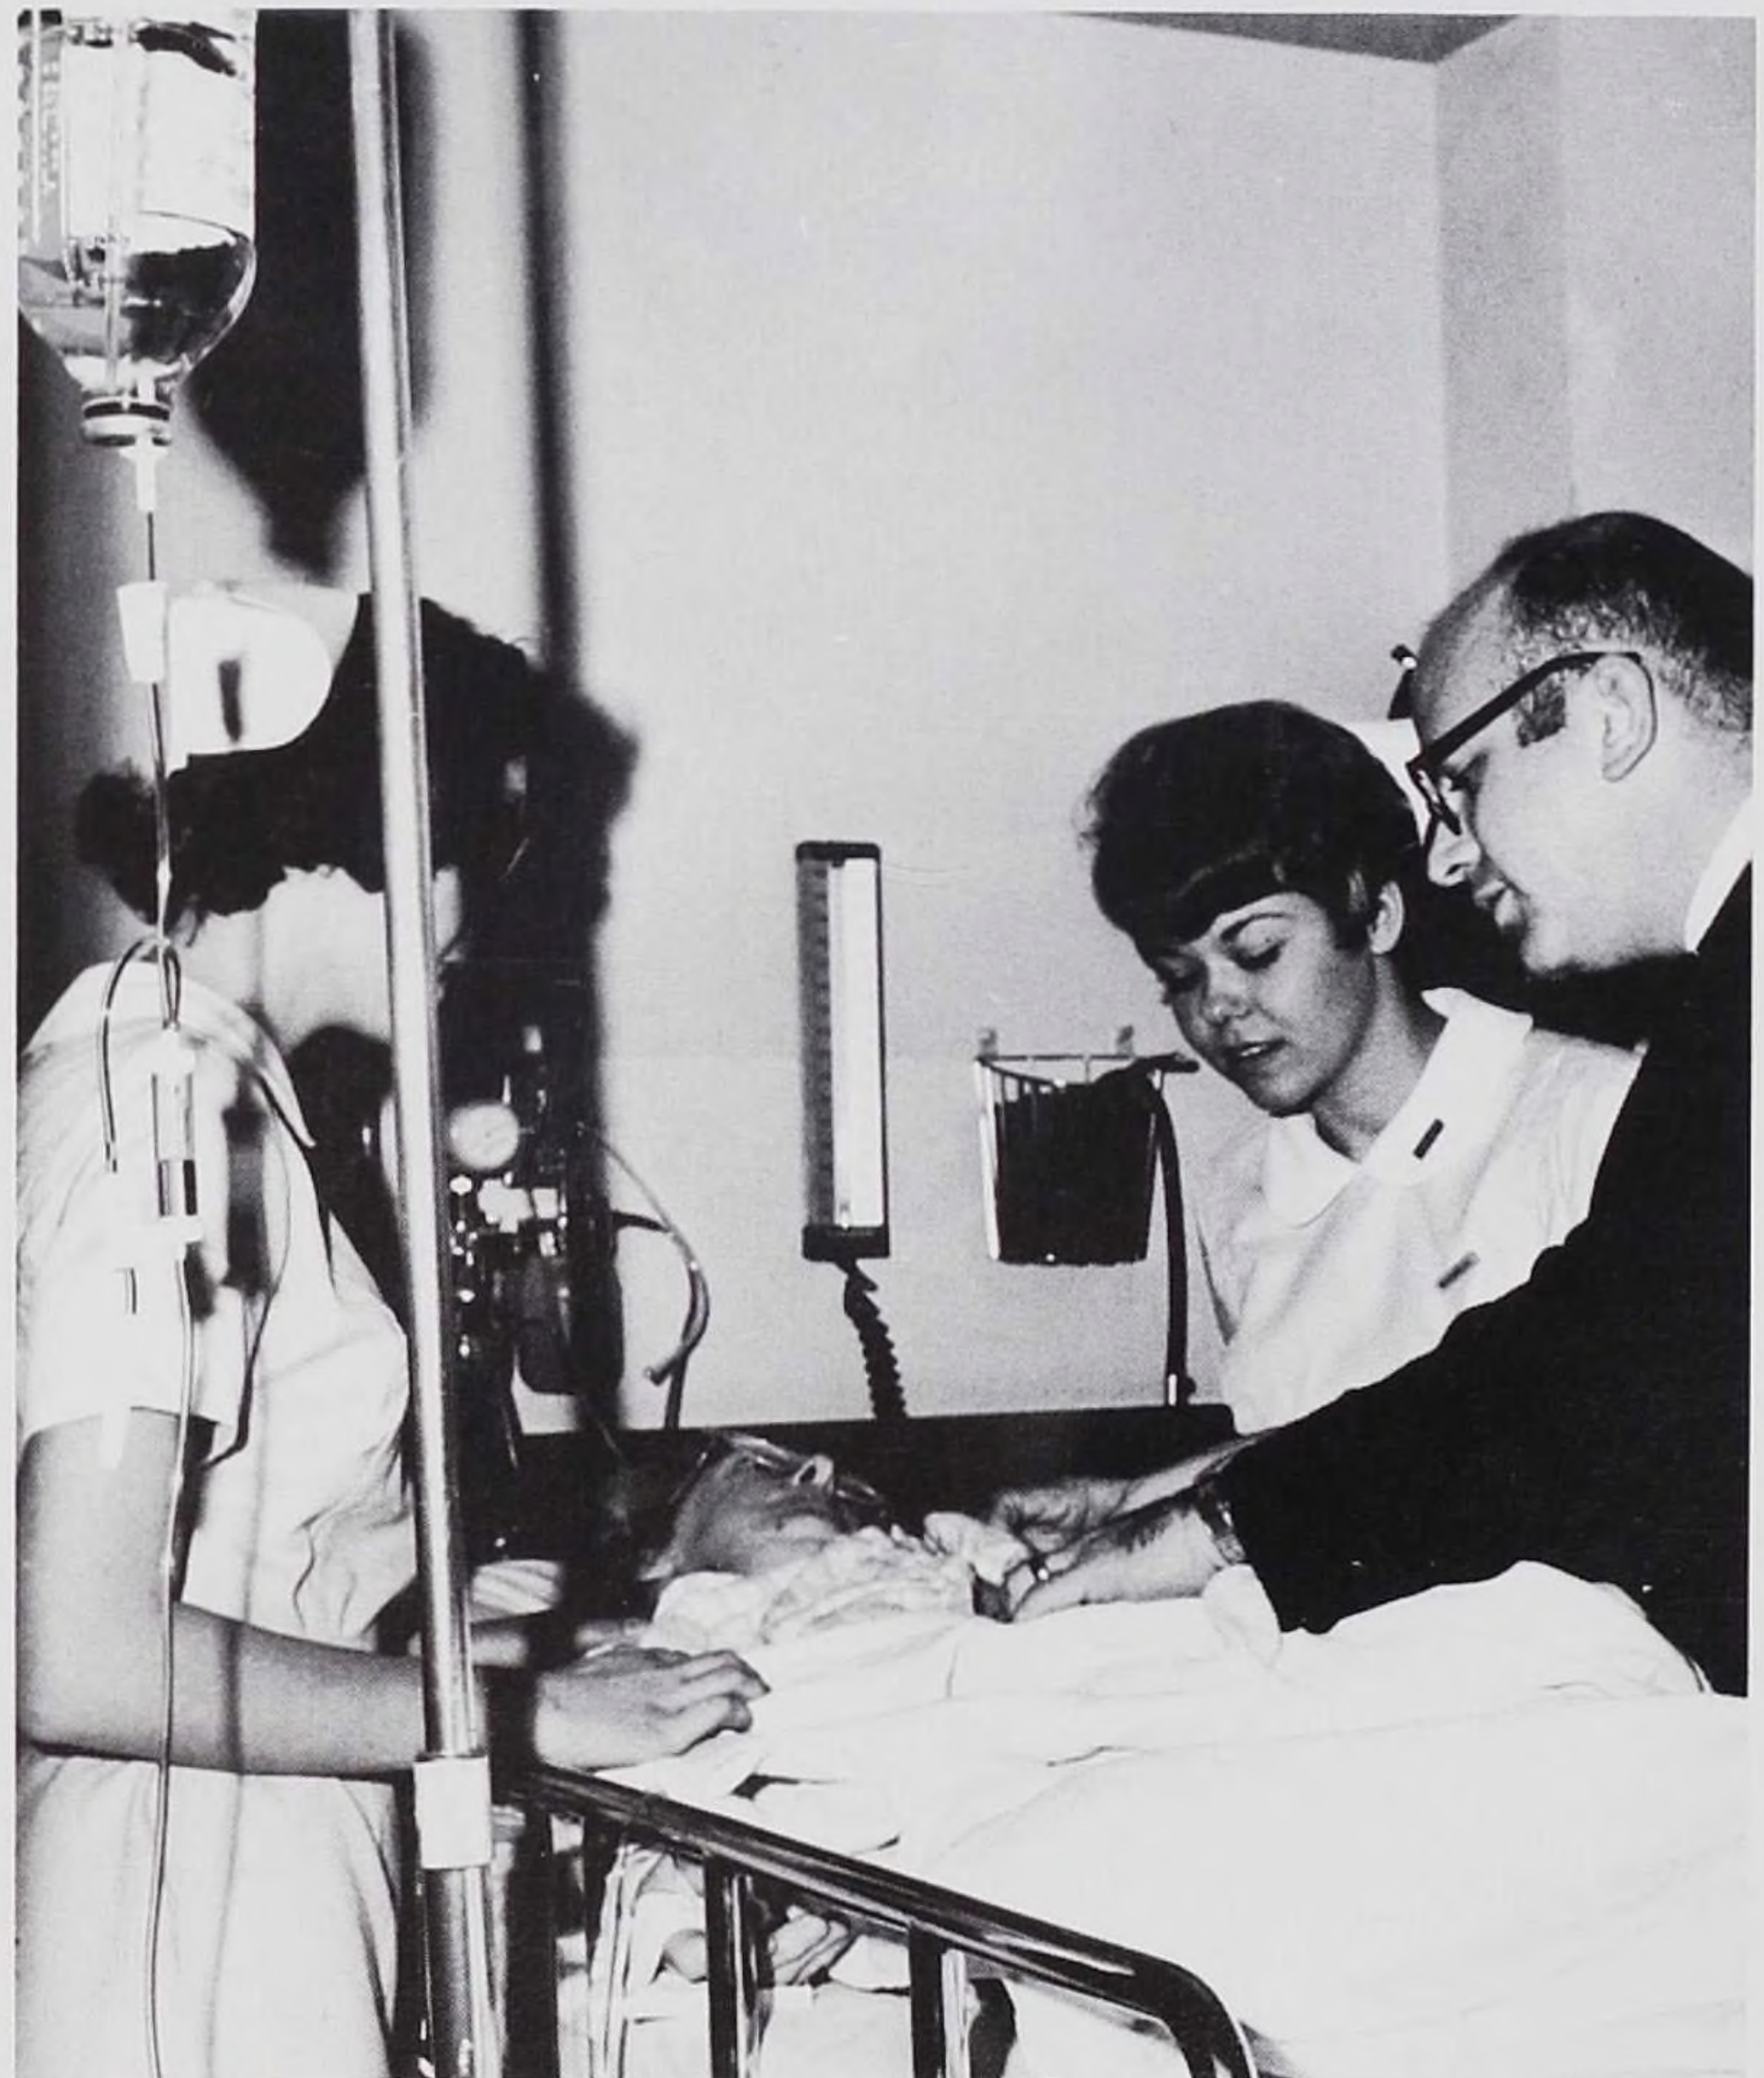

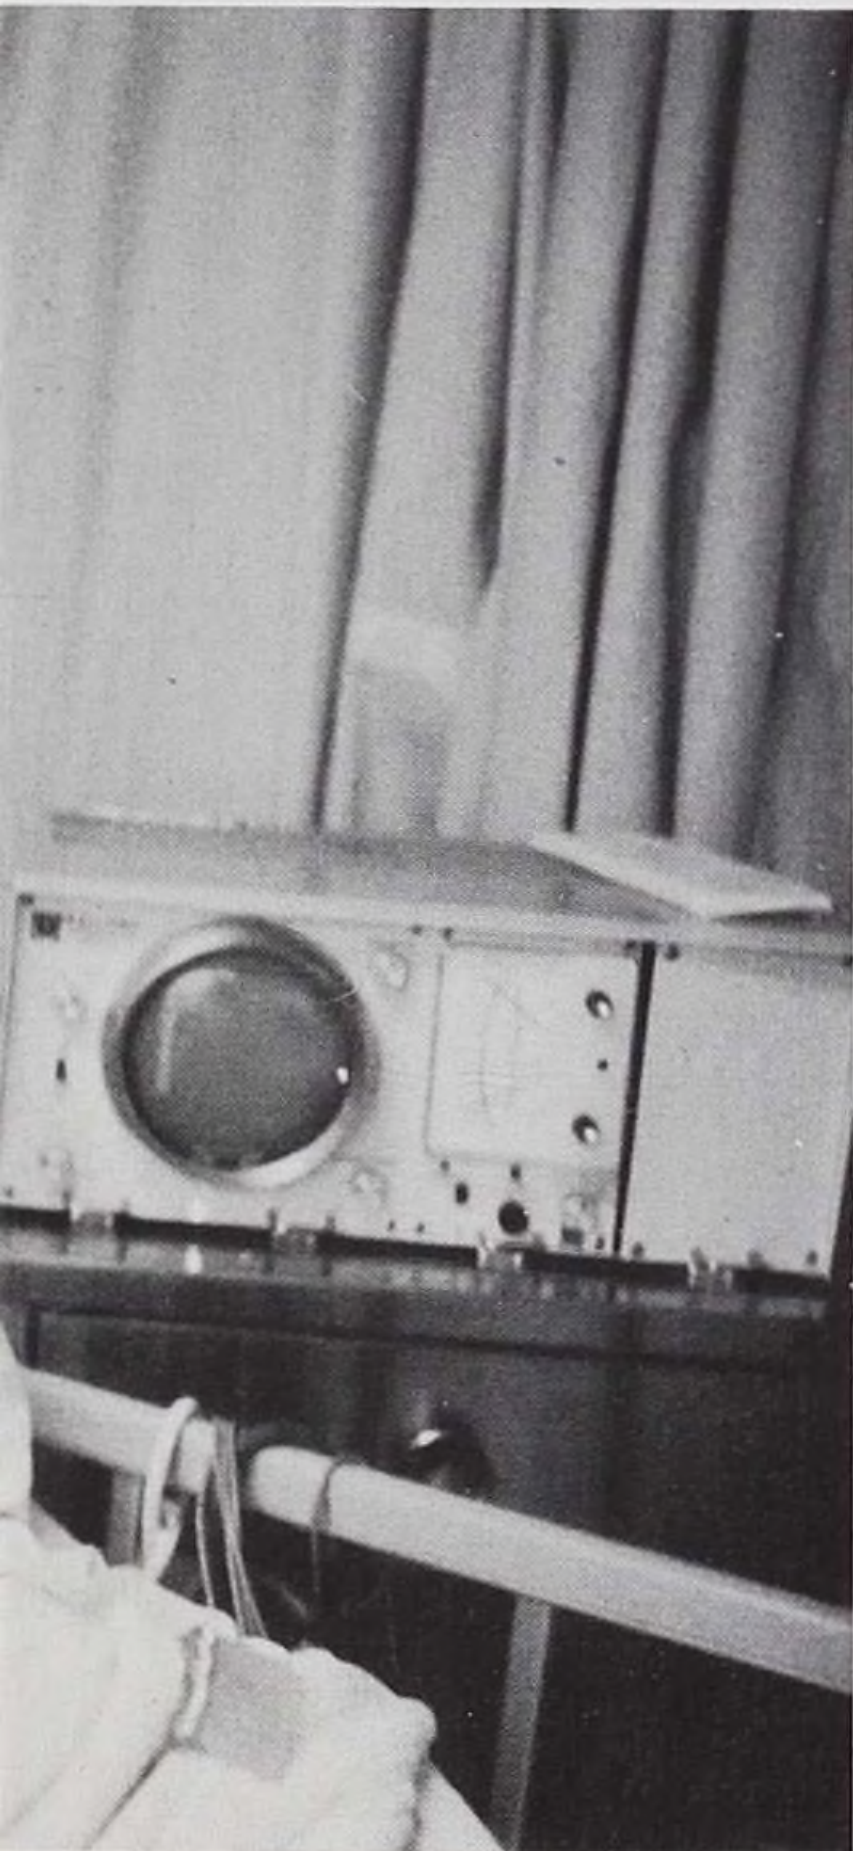

If any lift of mine  
may ease  
The burden of another  
God give me love and  
care and strength  
To help my ailing  
brother.

# ORTHO

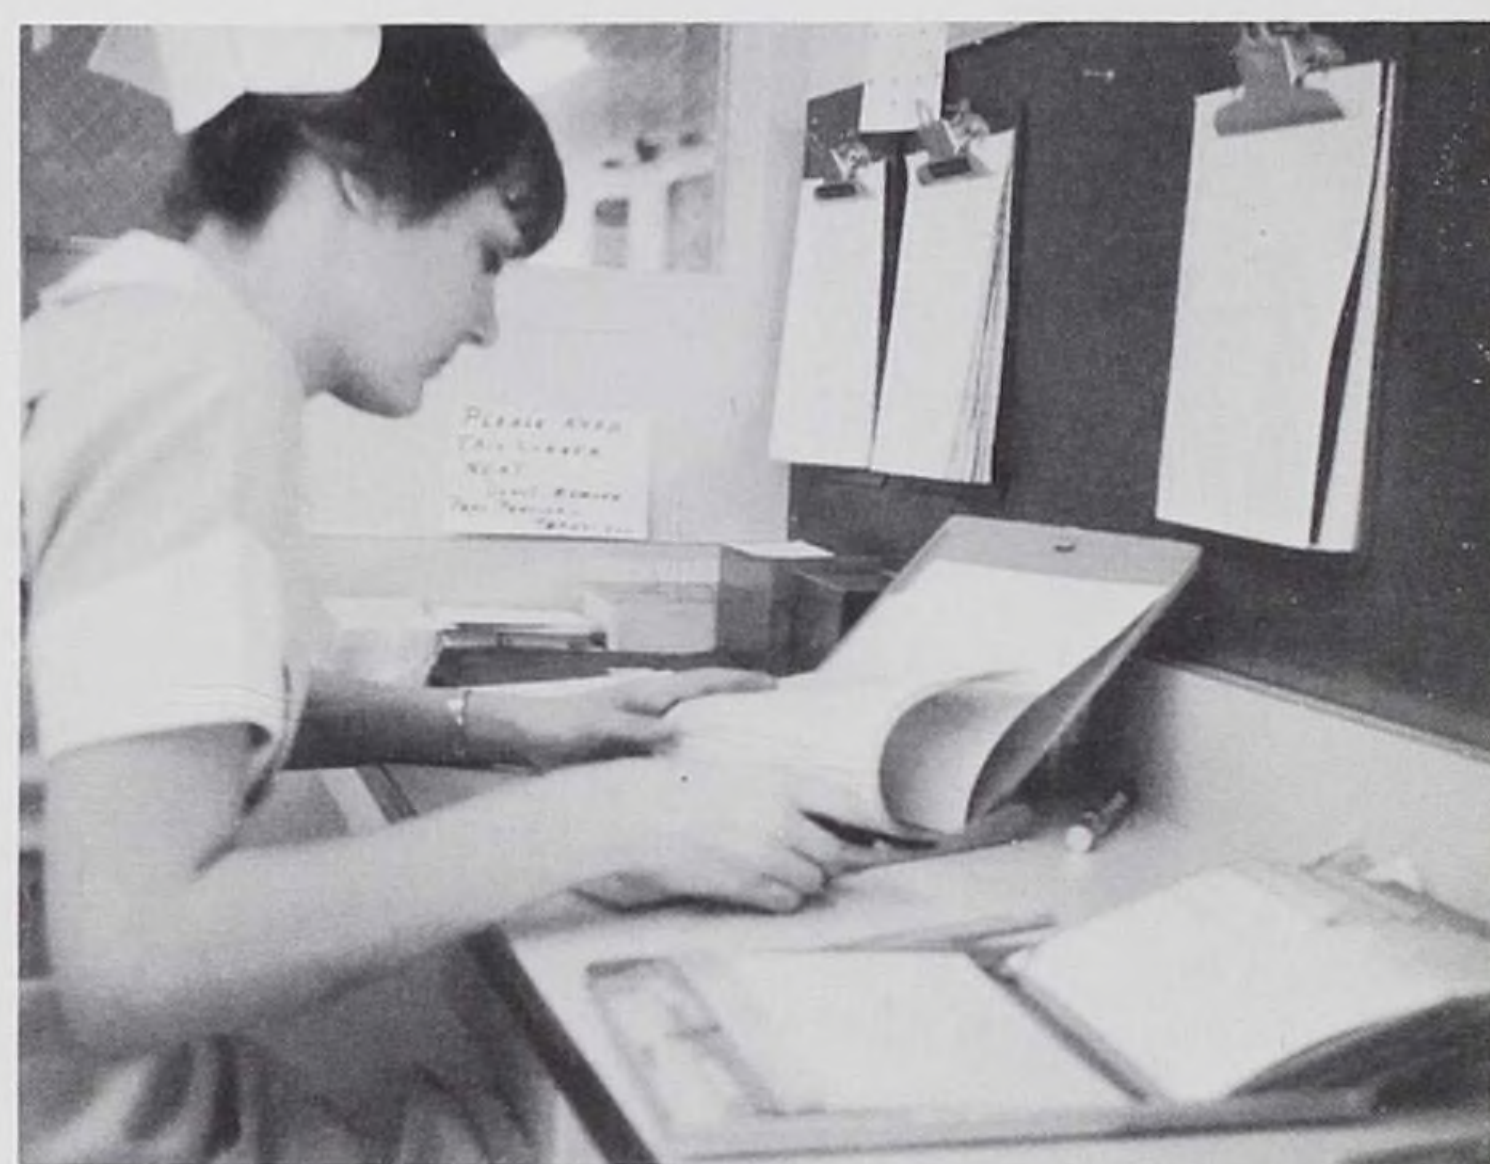

Love has no desire but to fulfill  
itself  
But if you love and must needs  
have  
desires, let these be your de-  
sires:  
To melt and be like a running  
brook  
that sings its melody to the  
night.  
To know the pain of too much  
tenderness.  
To be wounded by your own  
understanding  
of love;  
And to bleed willingly and joy-  
fully.  
To wake at dawn with a  
winged heart  
and give thanks for another  
day of loving.

**The Prophet**

# PEDIATRIC NURSING

I love thee little people;  
and it is not a slight thing, when  
they who are so fresh from God, love  
us.

Dickens

In praising or loving a  
child, we love and praise not  
that which is, but that which  
we hope for.

# STUDENT NURSE OF THE YEAR

As our three years at Lutheran General come to an end, the members of the Senior Class have chosen one classmate to represent their ideal of what a student nurse should be.

This year the class has chosen a girl who is always ready to give of herself. For her apt mind, her willing heart and her helping hands, we will always remember Sandy Mussman.

Kindness in words  
Creates confidence,  
Kindness in thinking  
Creates profoundness,  
Kindness in giving  
Creates Love.

# MARRIED COUPLES

Kay and Paul  
March 22, 1969

Our marriage was not made  
In a chilly chapel,  
Country church or  
The Grand Ballroom of the  
Plaza Hotel.

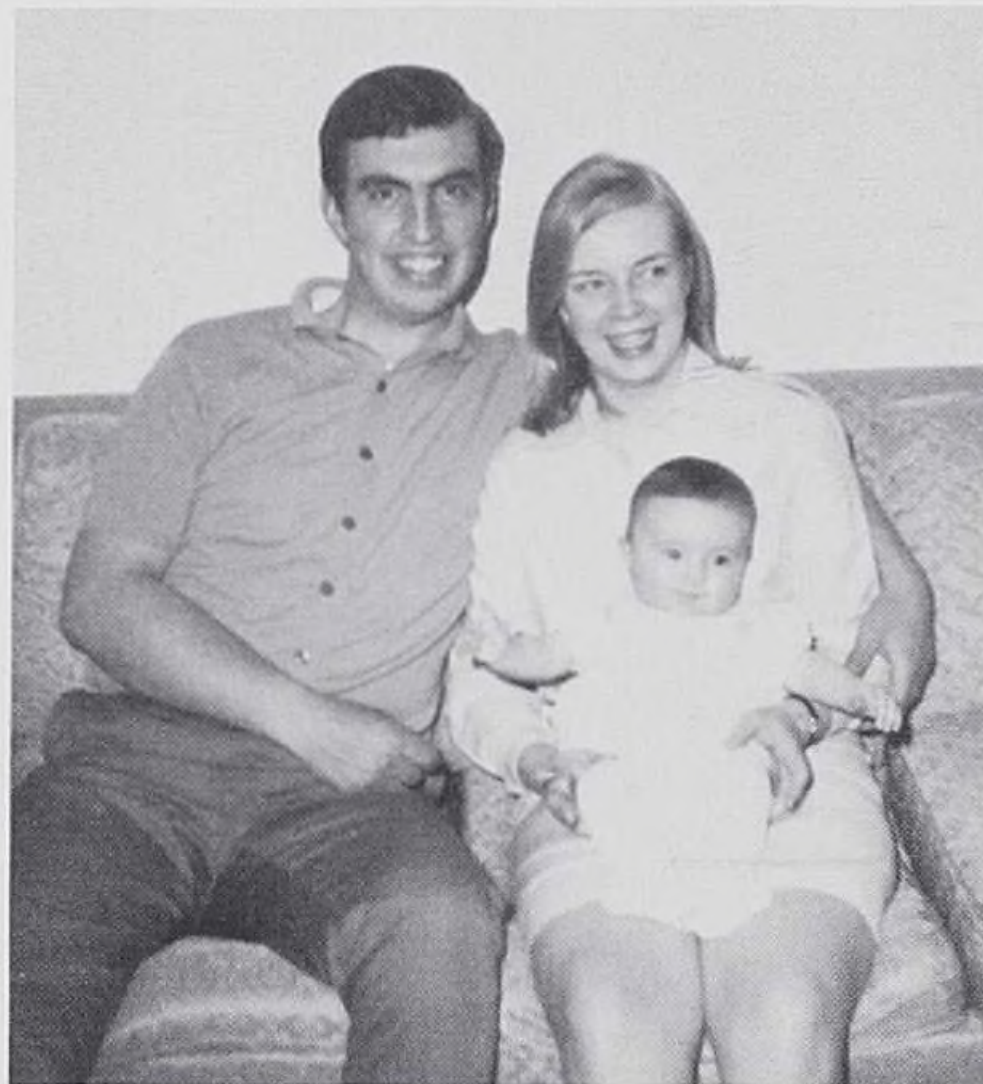

For it was only long after  
the ceremony  
That we learned  
Why we got married  
In the first place.

Someone asked me  
To name the time  
Our friendship stopped  
And love began.

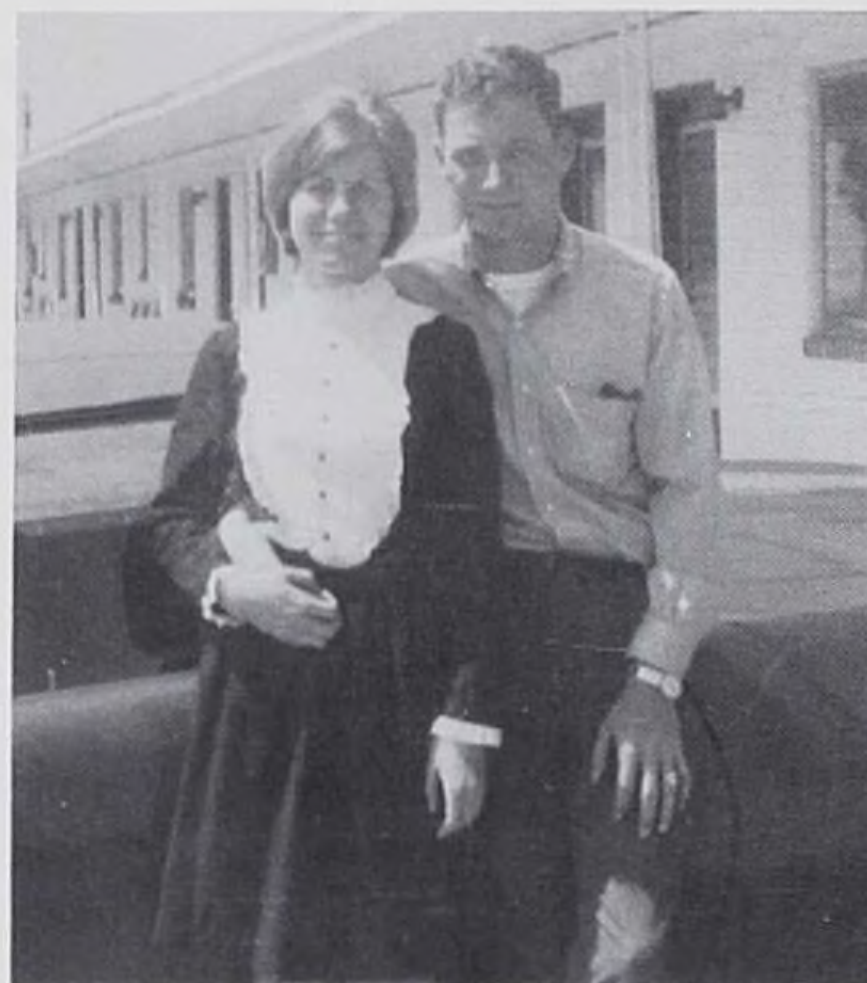

Oh, my darling,  
That's the secret.  
Our friendship  
Never stopped.
