Recommended Citation

Published quarterly by Midwest-based health system Advocate Aurora Health and indexed in PubMed Central, the Journal of Patient-Centered Research and Reviews (JPCRR) is an open access, peer-reviewed medical journal focused on disseminating scholarly works devoted to improving patient-centered care practices, health outcomes, and the patient experience.
The *Journal of Patient-Centered Research and Reviews* sincerely appreciates all of its manuscript reviewers from the past year. In 2015, the success of this scientific journal relied on the generous volunteer contributions of the following individuals:
