Vuckovich K, Satinover B, Smith L. Transition to rapid-cycle deliberate practice (RCDP) neonatal resuscitation program (NRP): Improved experience and stewardship. Quality Improvement podium presentation at Nursing Passion: Re-Igniting the Art & Science, Advocate Aurora Health Nursing & Research Conference 2022; November 9, 2022; virtual.

This Oral/Podium Presentation is brought to you for free and open access by the Subjects/Specialties at Advocate Aurora Health Institutional Repository. It has been accepted for inclusion in Nursing by an authorized administrator of Advocate Aurora Health Institutional Repository. For more information, please contact AAH-Library@aah.org.

Transition to Rapid-Cycle Deliberate Practice (RCDP) Neonatal Resuscitation Program (NRP)

Improved Experience & Stewardship

We are  Advocate Aurora Health

November 9, 2022

Kim Vuckovich, RN, BSN, MSN, CNL, RNC-NIC

Bonnie Satinover, MSN, RN, NPD-BC, RNC-NIC

Future Indications

Acknowledgments

Megan Brough, for her innovative thinking and pilot

Yorleni Ambrosio and Olga Lazala, for their collaboration and Train the Trainer experience

Jeanne Wiesbrock and Lisa Smith, for bringing forth the evidence and simulation expertise

Katy Kurnick for her partnership
