TITLE OF ARTICLE: _____

By signing below, I certify that the above-titled “Manuscript” represents original work and that I have reviewed the final version and approve it for dissemination and/or publication. Neither this Manuscript nor a manuscript with substantially similar content under my authorship has been published or is currently being considered for publication by a third party.

I understand that if this document, or revised version of this document, and any derivative forms of this document, including electronic versions, are accepted for publication by Aurora’s *Journal of Patient-Centered Research and Reviews*, the article will be copyrighted and become the exclusive property of Aurora Health Care, Inc.

For good and valuable consideration, the receipt of which is hereby acknowledged, I agree to assign and hereby irrevocably assign and transfer to Aurora Health Care, Inc., its successors and assigns (“Aurora”) any and all legal or equitable right, title and interest, including without limitation copyright interests, in and to the Manuscript and any registrations and copyright applications relating thereto and any renewals and extensions thereof, and in and to all works based upon, derived from, or incorporating some or all of the Manuscript. By executing this Assignment, I renounce and waive any and all rights to limit the use, distribution, modification, licensing, preparation of derivative works or sale of the Manuscript by Aurora or to receive any compensation whatsoever by reason of any use, distribution, modification, licensing, preparation of derivative works or sale of the Manuscript. I agree to execute all papers and take other actions as Aurora may deem necessary to secure for Aurora or its designee the rights herein assigned.

I further understand that I am solely responsible for the content of the Manuscript, including changes made during copy editing. I warrant that I have full power to grant the rights to this document. In addition, I grant to Aurora’s *Journal of Patient-Centered Research and Reviews* the right to edit and revise the foregoing work.

I certify that all individuals listed as authors of the Manuscript have substantively participated in conceptualizing the research or content of the Manuscript, in writing or critically editing the Manuscript, and/or in analysis of data presented in the Manuscript and that this list of authors is both accurate and complete. I represent and warrant that collectively, the author(s) identified below own (prior to this assignment) all right title and interest in the Manuscript and that I have the necessary authority to execute this Assignment and assign the rights provided herein. I represent and warrant that the rights I am assigning herein are free and clear of any encumbrances, and that I have not previously assigned, or otherwise transferred any interest herein. I have no knowledge of any ownership claim to any portion of the Manuscript by any party other than the author(s) identified below. I further certify that I have no financial affiliation/interest (e.g., employment, stock holdings, consultantships, honoraria) in the subject matter, materials, or products mentioned in the Manuscript, except as stipulated in the cover letter of the Manuscript.
